

TREASURE HUNT

GENERAL INSTRUCTIONS :-

1. Students should take care of things like projectors, sound systems, etc. and make sure that they don't get damaged.
2. Students should make sure to not misplace anything.
3. Students should avoid going to dark places for Safety reasons.
4. In any case if someone is found violating Institute norms, strict action will be initiated on them.
5. In first step of event each team will get 30 min to complete task

PURPOSE :-

To develop team spirit and test how well one performs under unknown situations with a time constraint. The ultimate purpose is to learn while having fun. It is an event filled with thrill and adventure.

STEPS :-

1. Scavenger Hunt- Collect the items mentioned in the list (will be given on spot) in designated amount of time. Top 80% teams that collects maximum no. of items will get the opportunity to move forward in the hunt.
2. Clues- Crack the clues to move forward in the game. Teams will get eliminated as the clues get harder. The clues will be hidden in the campus.
3. Final task- Top 2 teams will compete for the final task and one will win the treasure and the prize!

GUIDELINES :-

Team Size :- 4-6 members

Checklist :- Cycles, Mobile Phones, paper, pen, water bottles (in case you feel thirsty!) and an open mind.
